One could get easily get lost in the hustle and bustle of the artistry that was put on display at The Andhra Pradesh Gem and Jewellery Fair (APGJF). Business boomed as trade visitors came not only from Andhra Pradesh, but from neighbouring states as well. The dealers showcased a strong zeal for business right from the very start, as they could be seen engaging in business right from the very beginning. APGJF became a huge success thanks to the active participation of all parties including the sponsors, the trade visitors, the media etc.
