- * G&J industry is one of the few traditional industries in our country; jewellery plays an important role in our culture.
- * Gold helped people overcome Covid crisis. Gold shines in dark times. G20 has elevated India's standing in the global market.
- * Encourage women in this industry. Look after your karigars - they are the backbone of this industry.
- * India has a long history of ancestral and generational jewellery - we should maintain this going forward. India must become a global hub for jewellery shopping.

DIVINE®
SOLITAIRES

There is a lot of instability in the market in the diamond sector. This festival is setting a clear trend that customers are less price conscious and more brand conscious. Indian consumers, once they get the right rationale, they pick up the product they desire. I am proud to say that Divine has worked hard to become a name to reckon with in the field of natural diamonds. **Jignesh Mehta, Founder & MD - Divine Solitaires**

Natural diamond should mean Divine Solitaire - that is what we aspire for. **Shailen Mehta, Co Founder - Divine Solitaires**

Jignesh bhai has been associated for a long time now and always supported GJC unconditionally; knows the true value of a diamond and shines like one. **Saiyam Mehra, Chairman - GJC**

He (Jignesh Mehta) knows how to present a product like diamond. **Rajesh Rokde, Vice Chairman - GJC**

Committee Speak

Rajesh Rokade
Vice Chairman - GJC

This was the 4th edition of GJS and we registered a heartwarming response from the industry. In a little over a week, the festivities will begin with Navratri, followed by Dusshera, Diwali and the wedding season; given, I think the timing is perfect. This show is aptly placed to counter the retail market's huge demand following the festive season. This is an apt time when the retail market will face demand. This is the industry's Hamara Apna Show, with the objective of protecting, promoting and progressing the G&J industry.

We have many prominent political leadership names gracing our previous editions; this showcases GJC's seriousness in being a bridge between the government and the industry to help it get organised. The association has organised more than 12 programmes to give our G&J sector a facelift.
