JMAIIE 2024 Inauguration Dignitaries speaking at the inauguration

In his inaugural address, **Rajesh Kumar Mishra** (IRS) Zonal Development Commissioner-SEEPZ-SEZ, Mumbai said, "I am pleased to see that the concept and organization of JMAIIE is fulfilling the objective of growing the jewellery machinery sector leading to growth of GJ industry. My advice to the industry is that there should be an increased focus on skilled labour, maintaining quality and growing the domestic base of jewellery machinery sector."

Kevin James, Managing Director, Goodwin Refractory Services India Pvt. Ltd said "JMAIIE continues to be a platform for excellence, creativity and progress. The innovation in manufacturing technology showcased here is key to supporting the jewellery machinery sector."

Farhad Sethna, Chairman - JMA Forum, said, "JMAIIE, the exclusive jewellery machinery show has been a tremendous success. It is our endeavour to make it the largest jewellery machinery shop in the world. It provides unmatched opportunities to buyers see the latest in jewellery machinery and is a platform for manufacturers to promote their products in India and abroad."

Kranti Nagvekar, Founder of KNC Services, expressed, "I wish to convey my appreciation to both exhibitors and visitors for their incredible support. We expect a huge turnout of both manufacturer and buyers from the industry to attend the largest Jewellery Machinery Exhibition of India. The latest cutting edge technology in manufacturing seen here is contributing to the PM's vision of Make in India."

Michael Donald, Secretary-JMA Forum delivered the vote of thanks.
